

KEEPING THE FAITH IN PUBLIC SCHOOLS

BIBLE STUDY

Here's HELP for your family!

This Bible study equips parents and educators to lawfully and confidently help public school students learn the importance of the Bible and Judeo-Christian history, thought, and values—all *within state and federal guidelines!* This ten-topic group Bible study will equip you with the time-tested resources and relationship-centered approach developed by Gateways to Better Education—the nationally-recognized authority on helping Christians in the public schools.

YOU can be a part of a group that is starting soon!

The Bible study is designed to:

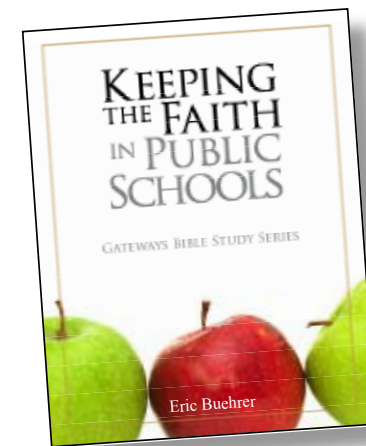

1. Deepen your walk with God
2. Connect your faith to the culture
3. Equip you so your children stand strong in their faith at school
4. Give you practical ways you can encourage your children's teachers to appropriately and lawfully include teaching about Judeo-Christian history, thought, and values in their classrooms
