History

“From one man he made every nation of men that they should inhabit the whole earth; and he determined the times set for them and the exact places where they should live. God did this so that men would seek him and perhaps reach out for him and find him, though he is not far from each one of us.”

What Would Jesus Think?

If Jesus sat in your class, what would he think? Of course, he would think biblically. He would connect what is written in the Bible with what he would be hearing in class.

You can do that, too!

Put each bookmark in the appropriate textbook or notebook. They will remind you to look at what you are learning at school with God’s Word in mind.
